

How to export Favorites in legacy SAP (ECC)

1. In SAP GUI, open the **Favorites** menu in the left navigation pane.
2. Select **Favorites** → **Download to PC** (wording may vary slightly by SAP GUI version).

3. Choose a location and save the favorites file.

> Downloads > SAP Favorites				
    Sort ▾  View ▾ 				
Name	Date modified	Type	Size	
▾ Today				
 SAP Favorites 202607	7/13/2026 8:02 PM	File	15 KB	

Use this file as a reference when navigating in SAP S/4. See [SAP Legacy to S/4 Crosswalk](#) page to review the new t-codes for some transactions in SAP S/4.
